EXHIBITION will be held in the Corn Exchange, Blandford Forum on Saturday 26th and Sunday 27th May 2012. We are extremely pleased to announce that our

JUDGE for the exhibition is Andrew Wilson ARPS so you will be able to swamp him with your "How do you read this one, then?" images – don't worry, he'll have an answer...

A CATALOGUE listing accepted entries and results will be posted to each entrant.

PRESENTATION OF AWARDS will take place in the Corn Exchange on Sunday 27th May at approx. 3.00 pm; this will allow for a further presentation of the projected images before close at 5.00. If you are unable to collect your award please arrange for a colleague to accept it on your behalf.

We have finally, and a little regrettably, succumbed to the fact that most of you have drifted away from Transparencies, but sincerely hope you will continue with the burgeoning Digital Projected Image Class. The transparent corners we introduced for the prints last year were very successful so we shall keep using them, but please make sure your mounts stay within the maximum 4mm. thickness.

We look forward to another excellent exhibition, and hope that you will be submitting even more of your work. And don't forget to mention it to your friends and colleagues: full details are on our website – www.bfcclub.co.uk

Yours sincerely,

Norman Carey Chairman Exhibition Committee
